

This EC-Certificate of Conformity replaces the Certificate No: 0809-CPD-0460 with validity from 2.5.2005 to 29.10.2006

EC-CERTIFICATE OF CONFORMITY

Certificate No: 0809 - CPD - 0460

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the

LIEBIG wedge anchors BoA -X - A4

of sizes M8, M10, M12 and M16

which are torque controlled expansion anchors made of stainless steel for use in cracked- and non cracked concrete

placed on the market by

Liebig International Ltd.

**Killorglin, Co. Kerry
Ireland**

and produced in the factory

Plant 3

are submitted to the manufacturer's factory production control, including testing. The initial type-testing of the products, the inspection of the factory and the factory production control, which are under continuous surveillance, have been performed. This certificate attests that the provisions concerning the attestation of conformity and the performances described in the

ETA- 04/0058

were applied and that the manufacturer's factory production control and products and their properties fulfil the requirements in ETAG 001 - 1997 for option 4 and updated ETA- 04/0058.

This certificate was first issued on 2005-05-02, updated on 31.10.2006 and remains valid as long as the conditions presented in the ETA are fulfilled or the manufacturing conditions in the factories or the FPC itself or existing contracts are not modified significantly and latest until 2011-09-21.
